Hello Alice,

I believe I added you to the distribution list, but just in case, here is the announcement I just sent.

Let me know if you have trouble opening any of the attachments and I'll send separately.

Thank you!!

Gabriela.

Dear CAC,

In preparation for our meeting on June 12th, please review the [draft agenda](#) and the [background materials](#). We will be learning about Linden's public access plan, the proposed cleanup for the Passaic River Superfund site, and then we will have an open conversation with members of Superfund Community Advisory Groups (CAGs) in our region, to share perspectives, experiences and ideas.

If you are attending and have not yet done so, **you must RSVP by filling out this form**. This is very important as we need to make sure we can accommodate all attendees.

As a reminder, the meeting will be held on June 12th from 2 to 5 PM at the [Van Buren Branch Library in Newark, NJ](#) (a 15-min walk from Newark Penn Station). If you plan on driving, please be aware that the library parking lot contains nine parking spots (one reserved for handicapped drivers), and please note that the library is on a one-way street and the entrance is the second driveway. Finding street parking can be challenging but there are parking garages nearby at 85 Jackson St and 250 Lafayette St. Click here for a map of these locations: <http://bit.ly/SyITW1>.

The Passaic River Superfund Cleanup Community Advisory Group (CAG) will have an open meeting in Newark that same evening, from 6 to 8 PM at St. James Church School in Newark (142 Jefferson Street). CAC members are welcome to attend this meeting, and CAG members will be invited to join our CAC meeting. For more information about this meeting, see the background materials.

We look forward to your attendance on June 12!

Thank you,

The CAC Co-Chairs.

Meredith Comi, NJ co-chair, 732-888-9870, meredith@nynjbaykeeper.org

Rob Buchanan, NY co-chair, 917-656-7285, avironvoile@gmail.com

Nellie Tsipoura, NJ co-chair alternate

Shino Tanikawa, NY co-chair alternate

Citizens Advisory Committee, New York-New Jersey Harbor & Estuary Program
